INSTITUTE

Carpentry could be your calling.

Who We Are

With 25 years of experience training apprentices, CTI is here to support you every step of the way. Our experienced trainers and dedicated coordinators help you succeed in your apprenticeship and beyond.

Why Choose Us

Hands-On Experience

We deliver innovative apprenticeship training through industry experienced trainers. We teach real-world practical skills on full-scale projects in our purpose-built workshops.

Well Supported

We know that success is built on a strong foundation of support. That's why our apprentices are paired with a dedicated Training Coordinator, who offers support, guidance and one-on-one tutoring.

Government Funding

CTI is proud to be an approved training provider under Smart and Skilled in NSW. This training is subsidised by the NSW Government*. In QLD, we are approved Skills Assure Suppliers under Skills Assure*.

**for eligible participants*

Certificate III in Carpentry Apprenticeship

Earn And Learn

The best way to learn is by doing, especially with skilled people guiding you. That's what an apprenticeship is all about: hands-on experience, real support and getting paid while you learn.

Job Outcomes

Obtaining a Certificate III in Carpentry makes you a qualified carpenter, which is the pathway to becoming a site supervisor, or owning your own business. Further career progression includes becoming a qualified builder.

Our Courses

CPC30220 Certificate III in Carpentry
CPC30320 Certificate III in Concreting
