# Build a strong future with Concreting.

## Who We Are

With 25 years of experience training trainees, CTI is here to support you every step of the way. Our experienced trainers and dedicated coordinators help you succeed in your traineeship and beyond.

## Why Choose Us

### Hands-On Experience

Get hands-on quickly with training delivered by real industry professionals. You'll work on projects at our purpose-built workshops and complete self-directed on-site projects, gaining practical experience that sets you up for the real world.

### Well Supported

We know that success is built on a strong foundation of support. That's why our apprentices are paired with a dedicated Training Coordinator, who offers support, guidance and one-on-one tutoring.

### Government Funding

CTI is proud to be an approved training provider under Smart and Skilled in NSW. This training is subsidised by the NSW Government\*.

## Certificate III in Concreting Traineeship

### Earn And Learn

The best way to learn is by doing, especially with skilled people guiding you. That's what a traineeship is all about: hands on experience, real support and getting paid while you learn.

### Job Outcomes

Kick off your career as a qualified concreter, then level up to site supervisor or even start your own business. Whether it's homes or major civil projects, skilled concreters are highly valued across Australia.
