**Add another layer to
your career.**

Who We Are

With 25 years of experience training apprentices, CTI is here to support you every step of the way. Our experienced trainers and dedicated coordinators help you succeed in your apprenticeship and beyond.

Why Train with CTI

Hands-On Experience

Be trained by industry successful and experienced plasterers. You'll work on full-scale projects in our workshops as you practice your craft and become equipped to succeed in the real world.

Well Supported

We know that success is built on a strong foundation of support. That's why our apprentices are paired with a dedicated Training Coordinator, who offers support, guidance and one-on-one tutoring.

Government Funding

CTI is proud to be an approved training provider under Smart and Skilled in NSW. This training is subsidised by the NSW Government*.

Certificate III in Wall and Ceiling Lining Apprenticeship

Earn And Learn

The best way to learn is by doing, especially with skilled people guiding you. That's what an apprenticeship is all about: hands on experience, real support and getting paid while you learn.

Job Outcomes

Achieving the Certificate III in Wall and Ceiling Lining qualification allows you to work in the construction industry as a professional plasterer, with potential job roles of becoming a site supervisor or even owning your own plastering business.

Our Courses

CPC30220 Certificate III in Carpentry
