Who We Are

With 25 years of experience training apprentices, CTI is here to support you every step of the way. Our experienced trainers and dedicated coordinators help you succeed in your apprenticeship and beyond.

Why Train with CTI

Hands-On Experience

Our trainers are experienced tilers who know the job inside and out. With flexible delivery, purpose-built workshops and strong industry connections, we're here to set you up for a long, successful career in wall and floor tiling.

Well Supported

We know that success is built on a strong foundation of support. That's why our apprentices are paired with a dedicated Training Coordinator, who offers support, guidance and one-on-one tutoring.

Government Funding

CTI is proud to be an approved training provider under Smart and Skilled in NSW. This training is subsidised by the NSW Government*.

Certificate III in Wall and Floor Tiling Apprenticeship

Earn And Learn

The best way to learn is by doing, especially with skilled people guiding you. That's what an apprenticeship is all about: hands on experience, real support and getting paid while you learn.

Job Outcomes

This qualification will set you up as a professional tiler for residential and commercial work. Once qualified, you can pursue further exciting opportunities in the industry, including site supervisor or running your own tiling business.
